

Revelations

There is a battle that has been brewing for centuries...between good and evil...between Heaven and Hell. And Abigail Johns is about to find herself caught in the middle of it... After eighteen years Abigail has finally discovered that she is the daughter of Lucifer. She cannot hide from her fate any longer. She has been tasked with saving the world. Gabriel, an archangel, has been watching over Abigail for her entire life. He has been patiently waiting to teach and show her the reality of her new world. A world in which demons, shapeshifters, vampires, angels and the Devil really do exist. Abigail, Gabriel, and their friends have just defeated Abaddon and sent Lucifers demons back to Hell. But that was just one battle. War is coming. Furthermore, the Devil still has three very powerful and dangerous demons on his side. Lucifer will not go silently into the night, and he will stop at nothing to rise and take the earth for his own. Abigail has started to become the woman and leader that her friends and the world need her to be. But her love for Gabriel continues to cloud her judgement and her mind. She has chosen Gabriel over Mackinnon, but Gabriel continues to push Abigail away. He has stated that they can never be together. As he is a soldier of Heaven, and love and emotions are expressly forbidden. Will he choose Abigail over Heaven? Or will he lose her forever? They must now travel to England and ask for help from The Committee, a mysterious group that Professor Rueben believes can help them. They will have to dive into an old world, filled with traditions, Grand Balls, secrets and deception. There are new threats arising every day and they are running out of time. Will they be able to trust this new alliance? Can they stop the Devil from rising and conquering the world? Or will they lose everything that theyve been fighting for? Sam Kelly lures her readers back into the dark and complex world of

her beloved characters. In this much-anticipated finale to Broken, she brings to life vivid story-telling, powerful twists and takes you on an exhilarating thrill ride of heartbreak, temptation and betrayal.

Home Home Search Mortgage Information Buyer Information Sellers information Contact Me Green Blog Events Calendar Use our Mapping Search to find listings in a certain area. Use our My Home Hunter feature to be notified when your dream home hits the market. **Barrie's Green Realtor Karen Fox** has been selling real estate for over 23 years in the Barrie area. She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie," she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor"? There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
