

## World of Grayham (Worlds of the Crystal Moon)

Hello Reader.....or should I say, lost soul. I truly hate to be the bearer of bad news, but since theres no tender way to deliver the blow, Im just going to come right out and say it. You see, you and I, well...were dead, or if it makes it easier to hear, we have perished. And, if a softer delivery is still necessary...your bucket has been kicked. We can no longer call Earth, Dukas, Redbone, Langormar (or whatever world you have arrived from) our home. Our souls, whether good or evil, now exist inside the Book, and were waiting for our chance to be reborn, possibly on one of many new worlds. Yes, I know (oh, believe me, I know) none of this makes any sense and youre probably asking yourself, Phillip, what on earth are you talking about? And I would be forced to answer your question by saying; your homeworld is gone! Youll just have to deal with it. But know this, Im not without compassion. Im glad your soul was retrieved from the darkness of space and placed in here with me, inside the Book. I know youre confused and have many questions, not to mention a fair amount of stress which Im sure has suddenly surfaced because of my revelation, but it will get better, I promise. Hang in there while I try to explain further. The Book, known as The Book of Immortality, has a second name - Gabriel. He asked me to explain some extremely important things which are for your benefit. First, there was a series of God Wars which lasted nearly 3,000 seasons. It was during this period of constant battling by these so-called deities that the entire Cosmos ceased to exist. (I say so-called because Im still not convinced they should be called Gods at all.) Second, along with your beloved homeworld, the places you knew as Heaven and Hell, everything you ever loved, everything you understood, and everything you cherished as your own, exploded into countless pieces of mass, most of which still wander aimlessly

through space. Yeah, this news really sounds like one big pile of gash...not to mention its thoroughly depressing to know that your soul is stuck inside a book, but again, hang in there... You see, prior to The great Destruction of Everything Known, I was an author back on Earth. The Book, after learning this, has asked me to gather the facts necessary to tell a series of stories. I get to share the knowledge Ive gained from speaking with the souls residing inside Gabriels pages, including the deities who perished, most during the God Wars. I will reveal the information acquired from questioning hundreds of fascinating creatures, as well as numerous other races, some of which are immortal, living on the new worlds. Ive taken great care to understand everyones emotions, their desires, their thoughts, and the reasons for doing the things they did, and will now share everything with you. I do hope you enjoy my recollections. Your friend, and fellow soul inside the Book of Immortality, Phillip Big Dog Jones

She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie", she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor" There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
