

La Tempesta (German Edition)

Ina Kramer
La Tempesta
Roman

Da braut sich was zusammenWir schreiben das Jahr 1994. Edgar Wossner, Kunsthistoriker, 44 Jahre alt und leicht übergewichtig, ist nicht glücklich. Dass seine Frau ihn vor drei Jahren wegen eines anderen verlassen hat, macht ihm immer noch schwer zu schaffen. Auch sein Job nach diversen, wenig erfolgreichen beruflichen Experimenten arbeitet er nun als Korrektor einer Fantasy-Buchreihe bereitet ihm keine Freude. Denn die Mehrheit der Bücher, die er korrigiert, ist deprimierend schlecht geschrieben. Einer Eingebung finsterner Laune folgend heftet er einen Kunstdruck des Gemaldes La Tempesta (Das Gewitter) des venezianischen Malers Giorgione an die Tapete seines Schlafzimmers. Während er es betrachtet und sich dabei betrinkt, entdeckt er Bezüge zu dem Roman, den er gerade bearbeitet. Mittlerweile betrunken gibt er im örtlichen Szene-Magazin eine Kontaktanzeige auf. Als er zur Rubrik Sie sucht ihn weiterblättert, sto?t er auf ein Inserat, das ihn elektrisiert: Er glaubt in der Inserentin eine Seelenverwandte zu erkennen. Also schreibt er ihr einen langen, alkoholgeschwängerten Brief, versteigt sich sogar dazu, eine besonders krasse Stilblute aus besagtem Roman zu zitieren.Zu Edgars Überraschung antwortet die Dame, Bettina, und zwar mit einem Brief, der die vermutete Seelenverwandtschaft zu bestätigen scheint. Von einem Treffen will sie allerdings nichts wissen; sie wünscht fürs erste nur schriftlichen Kontakt. Und so beginnen Edgar und sie, anknüpfend an das Zitat und inspiriert von La Tempesta, eine Art literarisches Briefspiel, in dessen Verlauf sie ihren eigenen Fantasy-Roman verfassen.Zur gleichen Zeit drängt sich Wiltrud, Edgars Ex, wieder starker in sein Leben. Sie sucht Rat und Hilfe, ein Verhalten, das Edgar zu falschen Schlussfolgerungen verleitet.Und dann ist da noch Susanne, die auf seine

Kontaktanzeige antwortet. Bettina, die ein Rendezvous immer wieder hinausschiebt, wird für Edgar mehr und mehr zur Obsession, die Korrespondenz mit ihr zusehends intensiver und zeitaufwendiger, bis sie schließlich sein Leben fast völlig beherrscht. Sein Alkoholkonsum nimmt zu, seine Zuverlässigkeit ab und das Unheil seinen Lauf...

Home Home Search Mortgage Information Buyer Information Sellers information Contact Me Green Blog Events Calendar Use our Mapping Search to find listings in a certain area. Use our My Home Hunter feature to be notified when your dream home hits the market. **Barrie's Green Realtor** Karen Fox has been selling real estate for over 23 years in the Barrie area. She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie", she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor"? There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
