

Great Danes of Today (Vintage Dog Books Breed Classic)

GREAT DANES OF TODAY By BERYL LEE BOOKER A VINTAGE DOG BOOKS CLASSIC REPRINT Originally published in the 1930s, this very scarce early work on the Great Dane is both expensive and hard to find in its first edition. VINTAGE DOG BOOKS have republished it, using the original text and photographs, as part of their CLASSIC BREED BOOKS SERIES. The book one hundred and fifty pages contain thirteen detailed chapters and many black and white photos of famous Great Danes of the Day : Danes of Today. Modern History. Choosing and Caring for a Dane. Breeding Problems. Breeding, Feeding and Rearing. Exhibiting Danes. Standard of Points. Pedigrees. Imported Danes. Charts of Line Breeding. Analysis of Litters. Heights. Appendix of Challenge Certificate Winners Since 1900. K.C.S.B. Members 1933-1937. Kennel Prefix and Affix. Also included are a number of illustrated advertisements for Great Dane Kennels. This is a fascinating read for any Great Dane enthusiast or historian of the breed, but also contains much information that is still useful and practical today. Many of the earliest dog breed books, particularly those dating back to the early 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. She has an interest in the environment and passionate about the community and how we are living on

this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie", she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor"? There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
