

Different Kind of Knight (Princess of Valendria Series)

Through a twist of fate, Princess Gabrielle became First Knight of the Kings Elite Guard, a position always held by the second born male. She spent years proving to the Minsters of Faldaera she is capable of leading the kings Army. When mythical creatures plague her kingdom, Rielle is sent to capture Captain Brody, the alleged culprit behind the attacks and the man who broke her heart four years ago. Brody, Crown Prince of Delphine, is living in self-imposed exile, atoning for the sins of his father. But Fate has different plans for him. Tired, beaten down, and ready to give up on life, he is tossed into the path of the one person he would do anything for? Princess Gabrielle. With a traitor in her ranks, and a mark on her head, Brody joins forces with Rielle, hoping to keep the woman he loves safe. Happily-ever-after is not guaranteed, and mythical creatures arent the only danger the couple face. As battles rage, Rielle has the chance to prove herself a capable leader, but will doing so cost her the love of her life?

She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie", she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor"? There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
