

Merlins Chosen Book 1 Rise Of The Wyvern

Chandra Strandon has just had her seventeenth birthday and she must now contend with the fact that she has moved to a cave in the midst of the Grand Canyon, a clan of dragons and the fate of the world resting on her shoulders. Oh and shes also found out shes a sorceress, perhaps the most powerful sorcerer ever to be born and the answer to a prophecy foretold by Merlin long ago. Chandra may be the only hope left to save the last of the dragons from their enemies known as the wyvern, horrid, nasty, beasts bent on ruling the world. Lead by the evil Theryn. As if Chandra doesnt have enough to deal with, working for the wyvern there is Chase Ivers. A boy, who is not only good looking, makes her heart go pitter-patter, but tries to kill her every time they meet. Whats a girl to do?

She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie, she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor" There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
