

The Departed: Book 1 of The Departed Series (Volume 1)

What if someone tried to fake the rapture? When hundreds of thousands of people disappear in the middle of the night, including sixteen-year-old Gwen's best friend Lana, no one knows why. Some believe they were taken in the rapture, while others are convinced that it can't be true. Doomsday prophecies abound that involve horrifying tales of plague, famine, earthquakes, and more. At first, Gwen doesn't know what to think. While she is busy mourning Lana, many people around her are getting taken in by the cultish True Believers Temple, including Gwen's dad and her friend Mindy. It is clear that more and more people are going to be pressured to join this church, as it starts taking over the media and the government, gaining zealous followers all over the world. Then Gwen starts receiving emails from Lana. She claims to have been forced into hiding with thousands of others in an underground compound. Gwen is convinced the emails are real and the only other person who also believes her is Isaiah, her moody crush. Together they resolve to find out where everyone is hiding and help set Lana free.

She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie," she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle." "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor"? There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest

levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc. Brokerage RESIDENTIAL\$399,000 RE/MAX Chay Realty Inc.
