

The Husky: A vets guide on how to care for your Husky dog

The Husky The Siberian Husky is a beautiful breed with soulful blue eyes and a gorgeous double thickness coat that keeps him cosy in the coldest of conditions. If youre thinking of becoming the owner of a Husky, this book will tell you everything you need to know. Its been written by Gordon Roberts, an experienced veterinarian who runs eight successful veterinary clinics around the UK. Gordon has made sure to include a wealth of useful advice and information on this unique breed. In the book, youll learn:

- All about the Huskys unique personality and temperament
- This breeds fascinating history and its Siberian origins
- Essential questions to ask yourself before choosing the Husky breed
- How to tell an ethical Husky breeder from an unscrupulous one
- How to spot a Husky puppy with a good temperament
- The proper way to look after the Huskys thick fluffy coat
- Specific health considerations for this breed
- Proven ways to train your Husky and keep him happy
- Invaluable information on body language, pack leadership and socialisation
- And much more...

This book should be kept somewhere safe and referred to throughout your dogs life. Dr Roberts is a strong advocate of preventative care and has added some specialist health information to the book that you wont find anywhere else. This includes a detailed, comprehensive guide to the most common Husky diseases with information on signs, symptoms and possible treatments. Youll also find a useful list of medications with important information such as side effects and doses.

This expertly written book is designed to help you become a confident, competent and knowledgeable Husky owner. We hope you enjoy reading it!

your dream home hits the market. Barrie's Green Realtor Karen Fox has been selling real estate for over 23 years in the Barrie area. She has an interest in the environment and passionate about the community and how we are living on this planet. Sitting on the board of "Living Green" and the steering committee of "Transition Barrie", she is well advised about the concerns and problems facing residents. "I believe that I can bring a lot to the table in terms of our experience in the Barrie and surrounding area Real Estate market, our knowledge of the Community and our study of the Environment." An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of averages, some will sell." Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a "Green Realtor"? There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
