

Traditional French Baby Bonnet Knitting Pattern

This soft, elegant, traditional baby bonnet is perfect for any special day. It is knit in one piece with seed stitch edging to frame the face. The filigree neckline is gathered with ribbon at the base of the bonnet for an excellent fit. It is the perfect bonnet for your tiny prince or princess, and absolutely destined to become a family heirloom. It is perfectly paired with the Traditional French Baptism Gown. Madame Segneri created this piece for the Baptism of her daughter. The bonnet is soft and stretchy, and can be knit in two sizes, newborn to 3 months, or size 6 to 18 months. You will need to know how to cast on stitches, knit stitches, purl stitches, knit two stitches together, yarn over, cast off, seam the finished work and knit in ends of the finished work skill level beginner/intermediate. A bonnet, for an average skilled knitter, should take approximately 6 hours to complete. The model was knit in Katia Merino 100%, color 1, and is worn by the designers twin daughter, Angelique, seen in the photos at age 10 ? months. An award winning Realtor and "Hall of Fame" award of excellence. "I will only take on the new business that I can handle" "I am not interested in stock piling listings with the hopes that, by the law of

averages, some will sell.â€• Karen is hard working, dedicated and determined to provide the best possible service to her clients and customers. Why use a â€œGreen Realtorâ€• There are already signs that in the near future energy costs will continue to rise. When shopping for a new home, it is imperative that buyers compare homes based on the normal criteria of location, size and functionality along with the homes potential for energy efficiency by concentrating on insulation, type of windows, furnace, roof, age of the structure, type of wiring, type of plumbing, lot grading and the potential to grow your own food should you desire. We can make this process easier for you with our knowledge of the area builders over a long period of time and our training on efficiency and energy efficient products. We can point out periods of rapid growth when homes in our city were not well constructed and were rendered very poor on the scale of energy efficiency. We can point out builders that meet LEED standards or Green standards and have built to the highest levels of efficiency. Quick Search Search Featured Property RE/MAX Chay Realty Inc.
